Decisions made outside of meetings due to Covid-19 pandemic.	Actions	Further information
As previously communicated in February the Clerk upgraded BPC's Zoom account and will claim the monthly charge of £14.39 through her expenses (as she did last month)	-	-
We have a new temporary PCSO Brian Anorim. The Clerk has circulated his email address.	-	-
PCSO Anorim email the Clerk the crime figures for Barming from 25/02/21 – 05/03/21 There had been a dangerous dog report on South Street but nothing else was recorded.	-	-
The WIFI charge for the parish hall will be increasing by £0.16. The discount that we have in place will end on the 16 th June 2022 so we will see what deals we can get nearer the time.	-	-
The Clerk logged a litter pick request for the Tonbridge Road BETA309207551 which is scheduled for 22/03/21	-	-
The Kent Community Railway Partnership emailed the Clerk to thank BPC for the recent donation and asked for ideas for future projects/events.	Cllr Manser requested that a shelter is installed at East Farleigh station which the Clerk has forwarded to KCRP.	UPDATE: From KCRP The provision of a new platform shelter is outside of the scope of our own projects. Our station survey in 2019 highlighted the existence of a former waiting room on the platform which we would like to see brought back in to service. Please be assured that I have raised the matter with Southeastern and will look to discuss possibilities with them at our next meeting.
The Clerk has received confirmation that MBC agreed the precept and the funds will be paid into the account after 9 th April 2021.	-	-
The Clerk has received another complaint regarding the speeding along Heath Road from a local resident.	The Clerk has reported it to the PCSO and suggested that the resident logs any speeding issues with the police via 101.	PCSO Anorim will continue to drive along Heath Road when he is on duty for police presence. Unfortunately, he does not have the powers to stop speeding vehicles or

		issue tickets but he will report any that he witnesses. He said that vehicle registrations should be report via 101.

Planning application comments:

21/500917/FULL Riverdale St, Helens Lane, West Farleigh – No objections (Cllr Gooch, Cllr Manser – No other comments sent to the Clerk)

21/501119/FULL 3 Bell Farm Gardens – No objections (Cllr Gooch, Cllr Manser – No other comments sent to the Clerk)

21/500835/FULL 11 Wesley Close – No objections but comments logged (Cllr Gooch, Cllr Manser – No other comments sent to the Clerk) BPC is concerned that the proposed building is of a substantial size, effectively a small bungalow and potentially a separate dwelling. Therefore, we request a condition be imposed to ensure that the proposal remains ancillary to the existing building and permitted development rights removed.
