Decisions made outside of meetings due to Covid-19 pandemic.	Actions	Further information
Unity Trust unfortunately made a payment for an old standing order to MBC Business Rates. The error must have occurred when they transferred over from the Natwest Bank – if you remember there were major issues with transferring over our payments.	The Clerk has ensured that the standing order is now deleted and has contacted MBC Business Rates Department to inform them of the problem.	Email conformation has been received for the refund of the funds. This has been processed and will be transferred back into the Unity Trust account.
The Clerk has received the recent police report for Barming. There have been reports of groups of people hanging around in Church Lane probably up to no good with regards to drugs etc. Police will monitor.
