Maidstone Borough Council is carrying out a Borough-wide Community Governance Review. This will provide an opportunity to put in place strong, clearly defined boundaries, which reflect local identities and facilitate effective and convenient local government.

Stage 1 of the consultation was undertaken between November 2022 and January 2023. Stage 2 is the current consultation which will look at proposals that arose from stage 1 of the review.

The survey takes 4-8 minutes to complete and closes on the **6th August 2023**, please have your say through the link below.
